

OTHER PRODUCTS

Securabike designs and manufactures additional products and accessories and provides services specifically for the bicycle industry. This range of 'extras' further illustrates the commitment and support Securabike has developed to promote increased cycle usage throughout the nation.

Custom Manufacture

While this Handbook primarily relates to the standard product range, Securabike is first and foremost a metal engineering and manufacturing company and is well positioned to assist in the design, manufacture and installation of custom designed products.

Note.

These products do not fall under the scope of AS2890.3.

A Diverse Range of Products

- Bicycle rack hire service – for temporary events like fundraising cycle rides
- Removable anchors – for use in casual or temporary rack installations
- Polypropylene protective sleeves – available as an option on many rails and racks.

Bicycle Rack Hire Demountable

Available in hot dipped galvanised
or
powder coated in yellow finish

Total Parking Package

Securabike offers a range of demountable and portable bicycle hitching rails for hire. The racks are ideally suited to the hire market and large bicycle events. Securabike will deliver and erect the required number of racks prior and dismantle and remove the racks after the event.

Note:

This rack is available for purchase. Contact your nearest sales office. Please use code BR01P for purchase.

Note:

Bicycle Rack Hire is limited to capital cities where Securabike branch offices are located (refer back cover of this Handbook). Please check with your closest Securabike sales office regarding availability and hire costs.
